Literary Term Poster Project

Assigned Literary Term _____

You will create an informative, creative poster for your literary term. You are to do the following:

1. Write your literary term neatly on the paper—make it LARGE and easy to read (size 60 min.)! Make sure you spell your term correctly.
2. Write the definition of your term (**LARGE ENOUGH TO BE SEEN**) use the definition as it is given to you in the handbook of literary terms from class or from another (reputable) source.
3. Use an example of your literary term as it appears in a story, poem, idiom, or novel - citing if applicable. (**LARGE ENOUGH TO BE SEEN**).
4. Draw/create an illustration that goes with the term or your example.
 - Make sure the image will convey the meaning of the word
 - Image must be copyright friendly or your Own
 - State the type of Licensing for image or give artistic credit
 - Provide a short link to Page that has image and license info on it. (use bit.ly) - if applicable
5. Make your poster neat, colorful, and interesting to look at! Your poster **must be printed** UNLESS you have artistic ability. Stick figures do not count and will not be graded.

Make sure your **name and class period** is on the back of your poster.
