Name _____

Novel _____

Pd. _____ Mtg. Date _____ Pgs. Read _____

As the Travel Tracker, your job will be to keep track of the places that things are happening in your story, how the setting changes, and where the characters have moved to and from. As you read, note where the characters go as the scenes change. Even if the scenery doesn't change much, the setting is still a very important part of the story.

Describe each setting in words or on a map or chart (on the back of or attached to this page) that you can share with your group. Note the page locations of the scenes you describe.
